

# Circular Walk One from Red Lion pub, Great Kingshill

**A lovely walk of about 1 ½ hours with  
varied woods and open fields**

**Distance is about 4.5 kilometres (3 miles)  
and there are four stiles**

# CIRCULAR WALK ONE

Outside the pub, turn right along Missenden road, then turn right at the SPAR shop into Hatches Lane.

After passing Hatches Farm, walk 400 metres until you see a driveway on the right. The public footpath is on this driveway until you reach the gates, when the footpath cuts to the left of the private land. You are now in Hatches Wood, which then becomes Man's Leg Wood. After a while, keep to the path on the right to go through Longfield Wood.

Coming out onto Perks Lane, turn right up the road towards Peterley corner. **Take care crossing the road here** and go straight across. After about 200 metres, turn right through the Crook Wood (the footpath sign is on the left on the road).

After a few hundred metres, you will come to a crossroad of paths – take the right-hand one that will soon have you walking across open fields at the back of Ninneywood Farm. Continue past the pond across another field and you will come out at the end of Lowlands Crescent, a cul-de-sac. Turn left here to the end of the cul-de-sac. When you come to the main road (**again, take care!**) and turn left along Stag Lane. At the first right, cross the road and you will come up onto Great Kingshill Common. The Red Lion is now straight ahead of you – so go in and enjoy some food and a drink!
